Fast, Friendly Service!

WHY CHOOSE RINGUARD XTREME?

- 100% customer satisfaction
- Certified wheel technicians
- We offer the most economical solution
- We will walk you through the entire process.

In most cases retail clients may even be met at a workplace, auto dealership, or repairs may be made while your vehicle is in to be serviced.

Clients that are outside of our mobile network can ship their wheels directly to us for repairs. We will discuss a wide range of options with you to help find the best solution. Our certified wheel technicians will walk you through the entire process.
